

Five-year warranty for your screw compressor: **BOGE best*cair***.

The BOGE best*cair* promise:
5 years' reliability with unlimited
compressor running time!*

FIVE YEAR WARRANTY

BOGE screw compressors have stood for high reliability and maximum efficiency for many decades now. We reward your confidence in our products with our BOGE best*cair* warranty. BOGE best*cair* gives a full five-year warranty on exchange parts (see best*cair* – terms of warranty).

FIVE YEARS' SERVICE

BOGE's best*cair* five-year warranty gives you maximum reliability and peace of mind. Certified BOGE service technicians undertake the work that is needed on your compressed air system.

FIVE YEARS' RELIABILITY

BOGE's best*cair* warranty applies to all exchange parts. The comprehensive parts warranty includes free replacement – over the entire period – in the event of a failure. With BOGE best*cair*, this applies unconditionally – with unlimited operation and no hidden costs.*

FIVE YEARS' EFFICIENCY

The combination of cost-effective, servicing by BOGE certified technicians, original BOGE spare parts and lubricants, together with our state-of-the-art service and diagnostic tools, gives your system a high level of operating reliability and consistent efficiency. For a full five years!

With **BOGE best*cair***, you get a screw compressor with an all-round carefree package: **BOGE best*cair*** gives a full five-year warranty – and includes certified **BOGE service**, **BOGE original parts** and state-of-the-art **BOGE diagnostic tools**. Ask your service partner or the **BOGE Service Centre** about **BOGE best*cair*!**

The **BOGE best*cair*** recipe for success:

Qualified Service

- + Original **BOGE** wearing parts
- + Original **BOGE SYPREM S** coolant
- + State-of-the-art **BOGE** diagnostic tools
- = Maximum efficiency and reliability
- at low cost!

100 percent original **BOGE** quality: **BOGE best*cair***.

Original **BOGE cair pac 3000** maintenance packages

Our cost-effective maintenance packages are specially put together for your compressor to ensure optimal replacement of wearing parts during servicing.

Original **BOGE** coolants and lubricants

BOGE coolants and lubricants offer the best corrosion protection and optimal cooling and lubrication of the bearings and rotors of your compressor with high reliability. With the **BOGE best*cair*** package, only our premium **BOGE SYPREM S** coolant is used. Your benefits are twofold: Low oil carryover reduces oil consumption, while the long service life extends the oil replacement intervals.

Original, certified **BOGE** service quality

Für die Wartungs- und Reparaturarbeiten an Ihrem Kompressor kommen ausschließlich von **BOGE** zertifizierte Servicetechniker zum Einsatz. Mit ihrem speziellen Know-how und leistungsfähigen Service-Tools sorgen Sie für eine hohe Verfügbarkeit ihrer Anlage.
